## **Astrological Compatibility**

Astrologically, each individual is represented by a chart of the planets and houses at the moment of his birth. By comparing and contrasting the interrelationships of two separate charts, the astrologer can reveal the many ways and many levels that two people relate with each other. This is the astrological art of synastry as it has been practiced for several thousand years.

This report analyzes each of the two selected charts and interprets the astrological connections between them. The charts' data, along with planetary positions and house cusps, are printed on the previous page. There are four possible sections to this report, two for each of the charts. Any one of them, or all four of them, will be included here depending on which were requested. For each individual the two possible sections are: 1) How this person approaches relationships. This section considers only the one chart, and is appropriate for all relationships this individual makes. 2) How this person relates specifically with the second person. Here each paragraph interprets a contact between the two charts from one chart's point of view. The text here pertains to this one relationship only, and should be understood in light of the actual nature of the relationship. Remember that every relationship contains points of similarity and harmony as well as points of conflict and discord. Through understanding, it is possible to cultivate and encourage the positive and harmonious, and keep relationships growing and fruitful through the highs and lows of the passing years.

#### **How You Approach Relationships**

You are always sensitive to others' feelings, and you pick up on even the slightest change in mood. Life for you is, above all, an experience to be lived and felt, and you find yourself sometimes up and sometimes down. You look to your partner for continual advice and guidance. You prefer a mate who is able to give you an overview or picture of what is happening. It's even OK if your partner runs a tad cool, because you tend to run a little hot... sometimes gushy. You depend on the calm, disciplined advice of a good manager -- which is what your partners often turn out to be.

*Capricorn on 7th Cusp*

You like a partner that is a hard worker, perhaps a little on the serious side -- a mainstay of the community. They may tend to run a little cooler than hot, and this is OK with you. You may benefit from the discipline that an older, more accomplished, life brings to you. You may have a tendency to find your partners restrictive and too serious at times.

*Saturn Ruler of 7th*

### **Report for Julie Ann Rivers**

#### **Strengths in your relationships**

You are enchanting, and can transport a group of people with your mesmerizing words,

action, or music. Through you, others catch a glimpse of a world more unified than the one they find themselves in, and hear from you of the life they know exists beyond the mundane. Once under your spell, you could motivate them to do almost anything. You owe much to your upbringing, which tolerated and gave support to your dreamier side. You can be very compassionate, and understand the feminine side of life.

*Moon Sextile Neptune (orb: 00 31')*

You have a sense of the extraordinary and wonderful about you. People sense that you have an insight into the larger picture, and you can communicate this idea of unity to a group. You are great at working with images, whether psychological, artistic, or cinematic. You probably love movies and music, anything with a grand theme or gesture. You are not just another dreamer. You can put your imagination to work. Your partner may have to work overtime to live up to your ideal of him/her, and to keep you down to earth and away from woolgathering. You need someone who loves to explore the dreamy psychological underside of life. You see beneath the surface of things.

*Sun Trine Neptune (orb: 02 32')*

You can't help but think in an organized way, and you are a stickler for routine. You love it. You probably have a scientific bent, for your analytical abilities are first rate. You love first principles and getting down to the bare bones of a subject. Mathematics and all things technological are a snap for you. You have great mental endurance and probably have done more than your share of studying. So serious.

*Mercury Sextile Saturn (orb: 02 32')*

You have always had a sense of being special, and of having experiences perhaps others have no memory of. You can handle even the most sensitive areas of your (or another's) mind, and have no problem with controversial and upsetting topics like death, dying, sex, and the like. You can't help being a psychologist of sorts. Sometimes it seems like the universe delights in showing its secrets just for you. You have a sixth sense for values, money, property -- opportunities.

*Moon Trine Pluto (orb: 02 54')*

You are comfortable with your sexual identity, and tend to be emotionally well balanced. There is a natural rhythm in the way you handle the day-to-day problems of work and play, with the result that you are capable of sustained effort. These same qualities affect your relationships too. They tend to be harmonious and long lasting.

*Moon Sextile Sun (orb: 03 03')*

You love to talk and write, and you probably do so beautifully. Your sense of color, harmony, manners, and all that is artistic, is beyond reproach. You know quality, and people love to let you pick out art or arrange color schemes for them.

*Mercury Conjunction Venus (orb: 06 22')*

**Report for Julie Ann Rivers**  
**Challenges in your relationships**

You really put a lot of feeling in what you say. Others sense in you high energy and a certain tension that's always there. You have a quick mind, an even sharper tongue, and God help anyone who is foolish enough to try arguing with you. You tend toward impatience and irritability. Those who are close to you know that you often bitterly regret what you may blurt out in an instant.

*Mercury Square Mars (orb: 00 02')*

You may have to cut your own way when it comes to a career, for you may not always get the kind of support you need from others. The result may be that you end up with a very unusual vocation. Probably not much interested in working with the public, either. Your partner will have to understand that you are not likely to follow the crowd, and be willing to let you find your own way. Getting things started and off the ground may be harder for you than for most.

*Moon Square Jupiter (orb: 02 24')*

You may have an inordinate fear of dying or confrontation, for there is a part of you that resists change and tends to put off getting down to the real heart of a problem and clearing it up. This attempt to avoid confrontation may find you involved in one power struggle after another when it comes to personal relationships. All of this creates a lot of energy that you carry around with you. Working it out takes patience and great care. You tend toward explosions and may have strong disagreements with authority figures.

*Sun Opposition Pluto (orb: 05 57')*

There is a tendency to be somewhat taciturn and reserved; perhaps a little too prudent. You have a fear of letting go that may manifest as an apparent lack of emotion. You don't always like what you are feeling, or own up to it. You are probably not an animal lover.

*Venus Square Mars (orb: 06 20')*

Power struggles are no stranger to you. You tend to put off confrontations until they build up and then explode, kind of like having your own built-in volcano. You probably have considerable emotional tension and a strong sexual drive. Your flair for secrecy could find you with more than one lover, several affairs.

*Venus Opposition Pluto (orb: 06 31')*

Often, through no fault of your own, you find yourself at odds with authority, the law, and conventions in general. Maintaining a good self-image may be difficult. There is a tendency to leave things unfinished, or to not do a thorough job. Success for you comes thru hard and precise work. You need a partner who will work with you while you find your own way.

*Sun Square Saturn (orb: 08 39')*

**Report for Julie Ann Rivers**  
**Your Relationship with Terry Doug Wright**

There is an odd sense of joy when you are around Terry Doug. You feel confident and creative. There is often this sense of discovering yourself when the two of you get together. You tend to feel more protective and sensitive to animals, younger people, and children. You can be very emotional and expressive with Terry Doug, and things tend to have a fresh, new quality. It is hard not to feel that all of this is good.

*His Moon in Your Fifth House*

At last, someone you can really talk with. You should have become instant friends from the very start. Terry Doug is the kind of person that is intellectually stimulating. Together you could spend great amounts of time exploring ideas and concepts, taking walks, and even short trips. Talking until dawn is not impossible with him. The platonic thing was there from the start, and there is a sense of the brotherly and sisterly between you. No matter what else, you will always be first and foremost, good friends.

*His Sun in Your Third House*

He is a talker, and you're no slouch yourself. When the two of you get together there is little room for anyone else in the conversation. You both connected intellectually and mentally from the very beginning and seem to have a world of things to discuss. When you can't get together, you may talk on the phone or write voluminous letters to one another. Communication is so strong between you that it is possible for you to team up and collaborate on writing or speaking projects. Take the show on the road.

*His Mercury in Your Third House*

He feels that you are special and seeks to encourage you. You both share a sense of value and worth, and he probably appreciates your position in life and possibly your resources. He will want to give anything he can to help you, and this could take the form of gifts, monetary support, etc. He knows the value of money and will always seek to strengthen and multiply any resources you may have. There is a sense of shared values.

*His Venus in Your Second House*

Terry Doug is quite direct and may tend to come on strong, even to the point of aggressiveness. Or, he may evoke a strong verbal response on your part. Whatever the effect, you will find that interchange with him has the result of moving you to think and to have new ideas. Communication will be brisk and may involve lots of emotion. You could find all of this refreshing, inspiring, and just what you need to set you going on some project involving writing or communication.

*His Mars in Your Third House*

He will have a very strong psychological effect on you, particularly in regard to the way you live your personal life. High ideals and humanitarian sentiments are fine, but Terry Doug has the ability to lead you to putting these thoughts to work on a day-to-day level. Through him you may learn how to really forgive one another, how to let barbs and harsh

words roll off your back. He can put you in touch with goals more important than money or recognition -- internal happiness and self-respect.

*His Jupiter in Your Twelfth House*

Terry Doug loves routine. He takes the domestic scene very seriously and especially loves to work around the home. You may find this helpful at times, but more likely you will experience it as restricting. There is a sense of heaviness, as if limits have been set on the experience of just living out a day. On the up side, there is a great sense of security and provision.

*His Saturn in Your Fourth House*

Never dull, you find Terry Doug's offbeat ways and independent manner exciting. There is always a sense of the unusual or unexpected when you are together. He may lead you off the beaten path, introducing you to new and unconventional people and places. There is a bohemian flavor to this relationship.

*His Uranus in Your First House*

You share a sense of the unity of life, and this could mean a very happy, almost dreamy down-home sense. There is a tendency to lose yourself in dreams and fantasies, so strong is your imagination when you are together. You could be fast friends. You may have to be a little careful not to get carried away with all of this and neglect your responsibilities (the details of life).

*His Neptune in Your Fourth House*

He may be responsible for a deep change in your values, all that you consider important in life. This may involve some very sensitive issues and real self-facing on your part. Through knowing him, your status in the world (especially in regard to finances) could undergo a transformation. He may help you strip away many unessential qualities and concentrate on those resources that can actually benefit you.

*His Pluto in Your Second House*

### **Report for Julie Ann Rivers**

#### **Strengths in your relationship with Terry Doug Wright**

You value his dreams and idealistic nature. There is an almost otherworldly sense that develops when the two of you get intimate -- your own magic bubble. He enchants you. Movies, music, and moods are something you can enjoy together.

*Your Venus Trine His Neptune (orb: 00 09')*

Aside from any magnetism, this could result in a sound business relationship. You value Terry Doug's judgment and, more often than not, tend to let him act as your guide in matters of career and direction. He knows you appreciate his abilities, and this combination should be an enduring one.

*Your Venus Trine His Jupiter (orb: 02 16')*

You have a natural appreciation for his problems and are probably very understanding with him. You may love his sense of organization and self-discipline. You may be a trifle undemonstrative when you are around him, a little too sober perhaps.

*Your Venus Trine His Saturn (orb: 02 50')*

Emotions run high with the two of you, but mostly it's very healthy. There is a strong magnetism. He finds you very supportive when it comes to his feelings and emotions. This is probably a very active relationship. He tends to push you on to be a real provider.

*Your Moon Trine His Mars (orb: 03 12')*

This could be an excellent partnership, whether a friendship or otherwise. You feel that you can really get behind Terry Doug and push him on to new heights. Feelings run high, and there is always lots of action.

*Your Mars Trine His Sun (orb: 03 30')*

You understand how he feels, and you find it is easy to cheer him up and generally facilitate him emotionally. He is very supportive, even protective of you. This is a healthy relationship.

*Your Sun Trine His Moon (orb: 03 37')*

You somehow are able to put Terry Doug's dreams and ideals into words. He finds you very imaginative, even eloquent, and may love poetry and music that you write. There is a basic sense of shared ideals, and you have long dreamy conversations.

*Your Mercury Trine His Neptune (orb: 06 13')*

He looks to you for support for his need for self-analysis and emotional probing. You probably have spent many a late night helping him through a change or two. You find his intensity workable, and you don't mind that he puts you through some emotional changes of your own.

*Your Moon Trine His Pluto (orb: 08 11')*

This could be a real working relationship. Terry Doug has an organizing effect on you, and brings discipline and good sense to any project the two of you engage in. Although somewhat cool and conservative, this has every sign of being a very durable relationship.

*Your Sun Trine His Saturn (orb: 09 38')*

## **Report for Julie Ann Rivers**

### **Challenges in your relationship with Terry Doug Wright**

Terry Doug may not appreciate the way you present yourself and act. Your basic energy, the way you feel, is counter in some way to his values and ideals. He may act aloof. You may have a tendency to be a bull in a china shop when it comes to what he cares about.

*Your Mars Square His Venus (orb: 00 06')*

He doesn't appreciate the way your mind works. Your words are wasted on him. You may find yourself being mentally critical of his ideals and sense of values. He doesn't like the way you think.

*Your Mercury Opposition His Venus (orb: 00 09')*

You can't appreciate his continual need for self-analysis and confrontation. He never seems happy unless he has reduced every meeting to its lowest common denominator. He may go against all that you hold dear, and drag you through scene after scene. A problem.

*Your Venus Opposition His Pluto (orb: 01 14')*

This may never do. Neither of you are able or willing to give the other much credit. There is a lack of appreciation, and very little sense of shared values. You may not like the same things.

*Your Venus Opposition His Venus (orb: 06 13')*

You may tend to ignore Terry Doug's feelings, resulting in arguments and clashes of wills. Your relationship tends to run hot and cold, but when you're hot you are very good friends. There may be some hard feelings between you.

*Your Sun Opposition His Mars (orb: 06 14')*

The two of you feel a lot of attraction for each other, but often as not you end up at opposite ends of a discussion. You may not appreciate his more aggressive nature or the way he acts. You may not like the way he makes you feel. He feels unappreciated.

*Your Venus Opposition His Mars (orb: 06 14')*

Terry Doug may feel that he doesn't have your support when it comes to matters of career and life direction. There may be hard feelings. You may find the decisions he makes upsetting to you emotionally. His basic philosophy of life can sometimes be at odds with the way you are feeling.

*Your Moon Opposition His Jupiter (orb: 07 09')*

From time to time there may be some hard feelings and harsh words between you. You may not feel like talking, or find that you can't support a lot of what he is saying. He may not be able to understand how you feel, and resents your attitude.

*Your Moon Square His Mercury (orb: 07 28')*

It's no secret that you and Terry Doug can have communication problems. You may find his lack of support for what you say and think unfair and hard to accept. Yet it is a two-way street -- often your thoughts and ideas rub him the wrong way too. They are contrary to the way he feels about things, and he finds it difficult to be encouraging at times.

*Your Mercury Square His Moon (orb: 07 33')*

Power struggles are likely, as well as harsh feelings. Your drive and ambition may tend to ignore his need for confrontation and analysis. You may refuse to face sensitive issues. This is a very emotional, and possibly explosive, relationship.

*Your Mars Square His Pluto (orb: 07 33')*

Heavy feelings and emotional drama will be a part of this relationship. You may feel that he refuses to support your life ambitions. You may find yourself hurting his feelings again and again. A stormy friendship.

*Your Mars Opposition His Moon (orb: 07 35')*

There may be some problems due to a lack of communication. There is an unwillingness on your part to discuss Terry Doug's changes (what he is going through). You may prefer not to comment on sensitive issues, instead of the constant rehash. The resulting confrontations may be hectic and intense.

*Your Mercury Opposition His Pluto (orb: 07 36')*

### **Report for Terry Doug Wright**

#### **How You Approach Relationships**

Your manner of relating to others is open and direct, and you somehow always manage to get right to the heart of things. No sidesteps. Everyone knows where you stand because your heart is always right there on your sleeve. On meeting you, one might expect that you would seek out another no-nonsense and serious type as a mate. Not so. You find relief from your own single-mindedness with someone who is, above all, fun and easy to talk to; talk and mental stimulation are things you really enjoy. The fact that they are a bit of a lightweight, always on the move, and even a bit frivolous, doesn't bother you one bit. You're delighted.

*Gemini on 7th Cusp*

Above all, you have a need for partners that are bright, witty, and that like to talk and communicate. You must have mental compatibility before you get serious about someone. Aside from talking, you like others who are interested in speaking and writing.

*Mercury Ruler of 7th*

Without a partner your career may tend to flounder, so it's not likely you will live the single life for long. With you, it's a question of getting in a good relationship and then concentrating on being a success story, and not vice versa. You need a partner that will

cheer you on in your work, or at the very least not stand in your way. There is also a tendency to attract people of some stature as friends, with the result that you tend to know the top professionals in your field or social group.

*Jupiter in 7th House*

You will find yourself involved in unusual relationships, or your partner will be unusual. Relationships will be a continual source of inspiration and freedom. They will always be taking unexpected twists and turns. The partners you choose tend to be unique and very independent or self-absorbed. Inventors, technicians, and computer-related persons may figure in your social life either as partners or friends.

*Uranus in 7th House*

### **Report for Terry Doug Wright**

#### **Strengths in your relationships**

An original thinker, perhaps an inventor. You have a very sharp mind, capable of real insight. You are always thinking of new ways to do things or a new use for something. You are great at finding solutions for existing problems where others have run out of ideas. Almost anything can be turned to an advantage, once you put your mind to it. Communication of all kinds, especially computers, electronics, and the new technology, is right up your alley.

*Mercury Sextile Uranus (orb: 02 20')*

You love whatever is new or different, and breakthrough flashes of original insight are typical. You could invent something, and you have a natural love for communication and new-age technology. You appreciate independence and originality in others, especially in a partner, and may tend to have unusual friends who are very likely male. You like to keep things spontaneous.

*Sun Sextile Uranus (orb: 02 26')*

You are very skilled and exhibit great artistry in whatever you do. Your work is always well organized and efficiently produced. You are driven to accept more and more responsibility, which is not a burden to you. This is a sign of excellent managerial ability. You're in it for the long haul and are a good example of what real discipline looks like.

*Mars Sextile Saturn (orb: 03 23')*

You really know how to pace yourself and seldom waste a moment or a move. It would be difficult for you not to be a success at anything you choose to do. Career problems seldom last long or prove very difficult. Others remark on your creative energy, great drive, and the fact that you never seem to let up. It all runs so smoothly. You may be moved to work with the law, publishing, education -- any field where you have an opportunity to guide and educate others.

*Mars Sextile Jupiter (orb: 03 58')*

You communicate with consummate skill, and it is stimulating just being with you. Your high degree of mental concentration makes you an excellent student, able to excel in speaking, writing, and all types of communication skills. You appreciate a partner who is eager to listen to you and supports what you have to say.

*Sun Conjunction Mercury (orb: 04 46')*

You have always had a drive to delve into the unknown. The cosmos has real trouble keeping secrets from you once you have made your mind up to investigate. You have great perseverance and staying power. You work well in a crisis; emergencies of all kinds find you on the spot, ready to test your mettle. You are brave -- and unafraid of death or people. You do well with investments, property, and other people's money. You have very little sense of propriety and tend to call a spade a spade. You like to get your hands in the real stuff of life, blood and all.

*Mars Conjunction Pluto (orb: 04 60')*

A passionate one. You love it when a crisis emerges and threatens to shatter the normal routine, because you yearn for a chance to undergo really profound changes. You're like the survivalists who wish the world would stop pretending and get down to the nitty-gritty. Fiercely loyal, you would rather see a relationship through hell and high water than abandon it. You delight in emotional confrontation, intense conversations, and secrets of all kinds.

*Venus Conjunction Pluto (orb: 07 27')*

### **Report for Terry Doug Wright**

#### **Challenges in your relationships**

You think you can get around doing things as you know they are supposed to be done. These shortcuts end up costing you a lot. You also tend to bite off more than you can chew and can have a million projects going at once. You get carried away with yourself easily in arguments, and those close to you sometimes accuse you of not being entirely fair with them.

*Mercury Square Jupiter (orb: 00 19')*

You have a tendency, or perhaps a knack, for ignoring good advice. More than once you have found yourself at odds with the correct, or prescribed, way of doing things. This could manifest in a problem with authority figures. For example, you may tend to disregard the suggestions of an authority figure, perhaps your father. You have trouble doing just a little, and tend to be extravagant.

*Sun Square Jupiter (orb: 05 05')*

You have mixed feelings when it comes to other people. You can't live with them and you can't live without them. You are used to a high degree of emotional tension. People may misinterpret your emotional chargedness as aggression or disapproval, when in fact that's just the way you are. They may not support your values. You long for a smooth relationship, but if you look at your history it's been a rocky road indeed. You may have

trouble locating an environment where you feel comfortable and can flourish.

*Moon Square Venus (orb: 07 41')*

### **Report for Terry Doug Wright**

#### **Your Relationship with Julie Ann Rivers**

You knew from the moment you met her that here was a person who couldn't help but be supportive to you. She approves of almost everything about you. At times this could get a touch claustrophobic, but if you need a boost, here is a good partner. Because she is so indiscriminating, the temptation is to add her to your fan club, which negates the value of this support. Everyone enjoys being a hero once in a while.

*Her Moon in Your First House*

At last, someone you can really talk with. You should have become instant friends from the very start. Julie Ann is the kind of person that is intellectually stimulating. Together you could spend great amounts of time exploring ideas and concepts, taking walks, and even short trips. Talking until dawn is not impossible with her. The platonic thing was there from the start, and there is a sense of the brotherly and sisterly between you. No matter what else, you will always be first and foremost, good friends.

*Her Sun in Your Third House*

She becomes very articulate when it comes to matters concerning your finances, resources, and possessions in general. You feel that she truly is concerned with what is best and most productive for you. Here is someone you can really talk to about subjects that most might find dull and unexciting. You find her suggestions to the point and almost always productive. You might like to take her on as a business partner just for her financial insight.

*Her Mercury in Your Second House*

She feels that you are special and seeks to encourage you. You both share a sense of value and worth, and she probably appreciates your position in life and possibly your resources. She will want to give anything she can to help you, and this could take the form of gifts, monetary support, etc. She knows the value of money and will always seek to strengthen and multiply any resources you may have. There is a sense of shared values.

*Her Venus in Your Second House*

Julie Ann is a living incentive for you to get out of yourself and do things. Things get very physical, and this runs all the way from good verbal exchange to physical activity in general. There is a fresh, almost childlike, quality to your relationship. You feel strength and perhaps are proud of how good you feel about yourself when you are with her. There is the danger of too much of a good thing. The whole thing could get a little self-centered.

*Her Mars in Your Fifth House*

Julie Ann may be a real leader or inspired teacher for you. Through her you may discover

a more philosophical and religious side of yourself. You respect her integrity and judgment, and have no trouble following her lead, because she is always fair and knows the right way to handle things. You may have long walks and long talks.
