*Imagine a house under construction
the foundation poured and set,
the structure and frame rising,
one step at a time.*

How is this house like your life?

What does it reveal to you about reaching your goals?

Have you strengthened your foundations

Do you build your life step- by- step?

Osa Johnson

31/4

Our birth numbers show us our hidden energies that are related to our life purpose

Those that are on the 31/4 life path are here to work through issues of stability, confidence, self- expression and in realizing that mastering oneself is a step-by step process to achieving our goals. 31/4 has a strong creative drive and is always striving for success and they love worthy challenges as it brings out their strength and creative expression. 31/4 are very sociable and will have many friends and admirers. People feel relaxed around them and they are the type of person that the back door is always open for any one that needing a little company. They have a sense of royalty to their friends and family as they are stable and some would say the salt of the earth.

Life Path 4

We all come to earth with your own unique chart. We all come here to learn and progress though life. The lessons that we have in this life shape and form the personality of the self. 4 is the teacher and the builder of form this can be anything from building a good life for themselves and their family or it may be their careers, relationship, or education. Which ever path they decide in life they are capable and serious people. They will plan their life a head, as they always want to know where they are going.

Whole Name number 16/7

The most important number is the Whole Name Number. This number show how the Birth Number will be expressed. The 7 is about intuition and inspiration. Your purpose in life is to be an educator in the field of science or metaphysics for you are a deep thinker and you enjoy in gathering information from all sources in gaining much wisdom and knowledge. After this, you should be able to pass on to others all the wisdom you have accumulated so they may benefit from it in enriching their lives.

The Soul

In Numerology, it is felt that human goes through a series of incarnation at the end of them all we will be ready to use all the knowledge that we gained in the service of the soul. The soul is who we are on the inside, not what we want other to see on the outside. The soul is the energy of our essence or, more simply, our true self.

Vowel 11/2

You are someone that wants to share your higher level of understanding of this world and the next to the truths in bringing out our inner beauty the way you see them. This is because of your past lives that you have come gifted with this wisdom and knowledge.

Our higher Self

Meditation Ray 5

When in meditation focus on balance as it will help guide you in the right direction. Remain detached by keeping an open mind try and stay calm and cool. The answer will come to you through a divine order that will come clear to you. This will also give you the strength to follow through with a feeling of confidence.

The Personality

The personality is what gives the Soul the ability to express life within the physical realm of time and space. Without a manifest personality, the Soul is unable to interact with the world. The Soul incarnate into a body which has a personality which is formed by our genetic background and our home life.

Number 5

The Consonant Number seems to hide the deep wishes, hopes and desires that we all have. The 5 secret wish is to be sexy, witty and exciting. You enjoy the company of the opposite sex. Many think freedom means not having anything to do. But you know that there is much more to it than that. It is the freedom to choose what is necessary to help your fellow man.

January 29th

Your soul chose this particular day for many reasons. It contains all the necessary tools for your use in this lifetime. Its effect will be most noticeable between your 26th and 53rd birthday. That's when your *blossoming* of your labor will show.

Many born on this day will lead very busy lives they are a person of action. Their independence is important for they have a need to experience life to the fullest.
